

EDUCATION **NOW !**
TOMORROW IS **TOO** LATE.

CG Fund Profile

CG Fund was founded in response to Lebanon's ongoing crises since 2019, with the goal of empowering marginalized communities through digital access, education, and employment-focused training. We serve as a bridge between urgent educational needs and sustainable solutions for youth and women. Since our founding in 2021, we have dedicated ourselves to transforming these challenges into opportunities, with a strong focus on education, digital empowerment, and workforce readiness.

We were registered in July 2022 under number 3831570

Our Vision

Our vision is to empower marginalized populations in Lebanon with essential digital education and employability skills that are crucial for future job opportunities, fostering their economic independence.

Our Mission

To achieve our vision of digital transformation, CG Fund is creating equitable access to digital resources, enhancing an innovative learning environment, and preparing the next generation for employability through a sustainable development approach.
